**DECLARATION OF DANIEL C. GIRARD IN  
RESPONSE TO COURT ORDER OF MARCH 28, 2018**

DANIEL C. GIRARD declares, pursuant to 28 U.S.C. § 1746, based upon his personal knowledge, information and belief, as follows:

1. I am the founder and managing partner of Girard Gibbs LLP. I submit this declaration pursuant to the Court's Order of March 28, 2018 (Dkt. 9833).
2. My firm is seeking attorneys' fees and reimbursement of expenses as set forth in my declaration dated December 28, 2016, attached as Exhibit L to the Co-Lead Class Counsel's Petition for an Award of Attorneys' Fees, Reimbursement of Costs and Expenses, Adoption of a

Set-Aside of Five Percent of each Monetary Award and Derivative Claimant award, and Case Contribution Awards to Class Representatives. Dkt. 7151-15. All services for which Girard Gibbs seeks compensation were performed at the request of Co-Lead Counsel.

3. Girard Gibbs was retained in this litigation in early 2014 by the Philip Thomas Law Firm and the Giddens Law Firm, of Jackson, Mississippi, to advise them in connection with the proposed class settlement in this case. Girard Gibbs' work on behalf of the Thomas and Giddens law firms and their clients (the "Myles Plaintiffs") was limited to settlement approval proceedings and class action practice. *See* Dkt. 5778. Girard Gibbs and its attorneys thus are not and have never been a party to any representation agreement with any specific Class Member in connection with this litigation. Girard Gibbs is not now and has never been responsible for the representation of any individual Class Member and has no relationship with or information relating to any of the litigation funders involved in this matter. Girard Gibbs did not play a role in promoting or facilitating access to litigation funders for any Class Member. Girard Gibbs has no professional or personal, direct or indirect, relationship to any of the litigation funders used by Settlement Class Members.

4. Girard Gibbs prepared submissions to this Court on behalf of the Thomas and Giddens law firms urging this Court to allow a period of factual development before granting preliminary approval to the initial settlement. Dkt. 5778. The Myles Plaintiffs' concerns were eventually addressed by the Court when it rejected the initial settlement and through consultation with Lead Counsel and Lead Counsel's team. The Myles Plaintiffs ultimately concluded that the Settlement was in their best interest and elected to support the settlement.

5. Girard Gibbs does not seek compensation for any work performed on behalf of the Myles Plaintiffs, and instead seeks compensation only for services performed at the request

of Co-Lead Counsel. *See* Dkt. 7151-15. Girard Gibbs is not party to any representation agreement, past or present, with any of the Myles Plaintiffs or any other NFL players. I have no current relationship with any of the Myles Plaintiffs. I am not party to or familiar with the arrangements between the Myles Plaintiffs and their counsel concerning litigation funding as I do not have and have never had any responsibility for the representation of any of the Myles Plaintiffs beyond that described above.

6. My responses under oath to the questions in the Court's March 28 order are set forth on Attachment A to this declaration, which is incorporated herein by reference.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed at San Francisco, California on May 7, 2018.
